HIJAAB

THE CORRUPT CARRION STUPID 'FATWA' OF THE MJC JUHALA

Question

On the issue of intermingling of the sexes, the MJC responded as follows:

“The presence of both males and females in the same space is permissible... The close intermingling of opposite genders, which is deemed haram by our fuqaha, occurs when their bodies come into such close proximity that there is no space between them.”

This is indeed something completely new to what Muslims have always understood about haraam intermingling of men and women at a venue. Is there any validity in what the MJC says in this regard?

Answer

The MJC is a gang of juhala – carrion juhala. This Gang specializes in certifying carrion. Their only objective in life is the haraam boodle which their carrion certifying satanism secures for them very lucratively.

What these juhala have excreted from their mouths is pure, unadulterated bunkum. They have no real affinity with the Deen. As far as Fiqh and the Fuqaha are concerned, the MJC *shayaateenul ins* are total jaahils.

When a 90 year old blind Sahaabi came to Rasulullah (Sallallahu alayhi wasallam) on one occasion when two of Nabi's wives were present, Rasulullah (Sallallahu alayhi wasallam) said to them: *“Adopt Hijaab.”* They were ordered to leave the room. One of the Wives said: *‘But he is blind.’* That is: *‘He cannot see us’.*

Rasulullah (Sallallahu alayhi wasallam) said: “*Are you also blind?*” That is: ‘You can see him.’ Thus, they left the room and disappeared behind the curtain.

The Qur’aan Majeed ordered the Sahaabah to speak to the Holy Wives from behind a screen when there was a need for them to ask anything. The most pious women on earth during the age of the Sahaabah were banned from the Musjid in that noblest of eras. Yet the carrion MJC scoundrels say that faasiqaat, faajiraat, fussaag and fujjaar can be present intermingling in the same hall, etc. as long as there is a space of a couple millimetres between the men and women.

Clearly, shaitaan has driven these MJC carrion-halaalizers to insanity by his touch. Their brains are vermiculated with the disease, *Takhabbutus Shaitaan* mentioned in the Qur’aan Majeed.

The Qur’aan Majeed commands: “*Do not come near to zina.*” But the rubbish Satanists say that as long as there are a couple of millimetres between the body of the man and the body of the woman, it will be permissible to engage in the various stages of zina which are imperative corollaries of intermingling of sexes even if they are light-years apart in the same venue.

Even ordinary Muslims who lack knowledge are aware of Islam’s strict laws pertaining to segregation of the sexes. But in this era, more than fourteen centuries after Rasulullah (Sallallahu alayhi wasallam), a gang masquerading as ‘scholars’ – moron molvis and moron muftis – says that it is permissible for a man and woman to be together with their bodies almost touching. Truly they are the worst kind of *shayaateenul ins* produced by Iblees.

The Qur’aan Majeed commands both men and women to lower their gazes which necessitates abstention from looking at one another. The face-hijaab was in existence from the very time of Rasulullah (Sallallahu alayhi wasallam), with not even the eyes exposed. Never ever in the history of Islam, not even according to the people of bid’ah and fisq, was there the slightest advocacy to validate and render permissible intermingling of the sexes at the same venue as long as there are a couple of millimetres between the bodies of the men and women. Is it intelligent or even sane to accept that fussaag/fujjaar and faasiqaat/faajiraat in one hall dining (and wining) together, laughing and making merry, being perfumed, dressed and adorned in finery, and full of bestial lust not to be indulging in a variety of kinds of zina when they are in close proximity?

The actual answer for the copro-fatwa which they have excreted is that they are worse than *khanaazeer*. Describing them, Rasulullah (Sallallahu alayhi wasallam) said that “*a time will dawn when the worst of people under the canopy of the sky will be their ulama.*” This prediction is being manifested incrementally daily in our age.
