KUFR AND FISQ SYLLABI OF MODERNISTS

Query

Your article, The Kufr Syllabus of the NNB Clique of Munaafiqeen, refers. The article by M.Bhayat of Durban shows an image which was extracted from a Ta'limi Board book, not from a Jusa book. Although this slight error does not detract from the evil of Jusa's interfaith indoctrination in its Tasheel series, the error should be corrected.

Answer

Brother Mohammed Bhayat, acknowledging the error, says:

I have checked and I have made an error. The person is correct. I had seen copies of both syllabus and regrettably I have referenced it as a JUSA book.

I have also checked my emails and note that I had sent the query to the Talimi Board KZN. Hazrath, I am deeply ashamed and sorry for the error. I however stand by my assessment of the syllabus in general.

Our comment

The slight error does not in any way whatsoever constitute any mitigating factor for the kufr of the NNB Clique's. The Clique's plot to indoctrinate maktab pupils and Apas with their Tasheel series in which a kufr meaning has been given to the relevant Surah is despicable. Via its Tasheel syllabus the NNB Clique is attempting to give 'Islamic' credence to their interfaith kufr ideology with which the pupils are being indoctrinated.

Furthermore, Brother Bhayat has validly taken the Jamiat KZN to task for its haraam westernized syllabus. It does not behove Ulama to emulate the methods of the kuffaar. Teaching the Qur'aan Majeed and related Deeni subjects is as old as Islam. The ways and methodology of the kuffaar are accursed. The brains of the pupils are polluted with westernism by means of these methods.

It is indeed lamentable that Ulama are awed by the ways of the western kuffaar. Their syllabi are clownish and totally unfit for Maktab. The system inherited from the illustrious Akaabir are full of Noor and Barkat. Never should the old nooraani syllabus be tampered with. It is a grave crime to contaminate the nooraani system with the methods of the western kuffaar.
