THE MJC AND NNB (SO-CALLED JUSA) INTERFAITH MUNAAFIQEN AND ZINDIQEEN MASQUERADING AS MUSLIMS

Muslims should not labour under any misunderstanding regarding the *nifaaq* and *irtidaad* of the MJC and NNB *shayaateenul ins* (human devils). These shayaateen are among the kufaaar interfaithers. View the following evidence:

THE FORUM OF INTERFAITH LEADERS

At any time during the 67 minutes, South Africans can participate in the form of prayer, lighting of candles, ringing of church bells, mediation, hooting, observing a moment of silence or any other expression one might choose to observe in the moment. "We call on everyone, everywhere-to unite in prayer".

"There is incredible power in prayer, and if we all, as one voice, unite at this moment in our history according to 2 Chronicles 7:14, there is no limit to what can be achieved in our spiritual solidarity," said Bishop Malusi.

There are no worse *khanaazeer* than these munaafiqs who pose as Muslims for the sake of fleecing the community. Their objective is only money and name. *Hubb-e-Maal* and *Hubb-e-Jaah* have secured for these scoundrels their abode in Jahannam.

Salaat behind these munaafiqeen is not valid. It is haraam to contribute any funds to them. They are digging the foundations of Islam from within. May Allah Ta'ala destroy these evil bootlickers and munaafiqeen. Lying in bed with kufr and promoting kufr and shirk with their participation are acceptable in their warped, shaitaani conception of 'islam'. They are corrupt and rotten to the core.
