MJC, NNB (SO-CALLED JUSA), KUFFAAR AND MUSHRIKEEN – ALL BIRDS OF A FEATHER THE TUNE OF THE BOODLE

The following is the list of *THE BIRDS OF THE SAME KUFR AND SHIRK FEATHER*:

Sponsored by The Religious Forum Against Covid-19 comprises various religious groups namely: Bantu Church of Christ, Believers in Christ, Council of African Independent Churches (CAIC), Council of Muslim Theologians (Jamiatul Ulama), International Federation of Christian Churches, Nazareth Baptist Church (Shembe, Thembezinhle), The Muslim Judicial Council, The South African Hindu Maha Sabha (SAHMS), The Church of Jesus Christ of Latter-day Saints, The Evangelical Alliance of South Africa (TEASA), The South African Council of Churches (SACC) and the Union of Orthodox Synagogues

The Solidarity Fund states that each one of the Covid Promoters were given R12 million to promote the covid shaitaaniyat. The Muslim community has therefore justly inferred that the two Munaafiq entities masquerading as Muslims (MJC and NNB Gang) had equally shared in the covid pie.

The MJC has not denied this fact. While the NNB Gang said that they did not receive money *“to the tune of R12 million”*, they have not informed the community of the ‘*tune*’ to which they have received boodle from the Solidarity Fund or from any other government fund.

These two Munaafiq entities had suspended Jumuah Salaat, closed the Musaajid and had vigorously promoted all the shayaateeni covid protocols. The Muslim community wants to know the ***tune of the boodle*** which had lured these miserable Munaafiqeen into the snare of Iblees to abandon their Imaan so despicably.

It was only the drunken crave for money which had ruined these wicked entities. It was only the chimera of the millions dangled in front of them which induced them to perpetrate the worst acts of kufr in the very name of Islam.
