A MUSLIM MARRIAGES BILL – DECEPTION, BUNKUM AND KUFR

The monotonous song of a ‘Muslim Marriages Bill’ by Mr. Ganief Hendricks of Al Jama-ah party, is a shaitaani deception to hoodwink Muslims into the canard that such a bill if legislated will be the recognition of the Shariah by the government, when in reality it will have a disastrous effect on the implementation of the Ahkaam of the Shariah.

It should not be difficult to understand that legal recognition of Muslim marriages comes with kufr consequences. The *recognition* is not in isolation of the haraam kufr legal consequences of the dissolution of the marriage. All the legal requirements following in the wake of the dissolution of a marriage are in conflict with the Shariah. Hence, instead of legal recognition being a benefit, it will prove to be extremely detrimental for Muslims from the Deeni perspective.

It must be understood that NOTHING of the Shariah which applies as consequences of the dissolution of marriage complies with the legal requisites of kuffaar law which Mr. Hendricks and his WLC cohorts espouse. The chimera of Shariah consequences which is being dangled in front of ignorant Muslims by ignorant and zindeeq politicians is a mammoth LIE and deception.

If the consequences of legal *recognition* in the event of dissolution were in conformity with the Shariah, there would then have been no reason for

objecting. But the kufr of this whole satanic kufr bill necessitates its rejection.

At least the non-Muslim Home Affairs Minister has contended correctly that *“There is no need for a specific Registration of Muslim Marriages Bill as tabled by the Al Jama-ah Party”*. The Minister has a better understanding of the reality than Mr.Hendricks who baselessly seeks to peddle the idea that he is speaking on behalf of the Muslim community and in terms of the Shariah. He has no right to open his mouth on matters of Shariah import. He lacks the necessary qualifications for such acquittal.

In his address to the portfolio committee, Mr.Hendricks presenting his spurious arguments said that the bill which he has conjectured, fabricated and disgorged, would have the following provisions:

- The recognition of Muslim marriages
- The dissolution of and the consequences of dissolution of Muslim marriages.

Regarding the first provision, it is not a mere issue of recognizing Muslim marriages. The second provision is the satan which Mr.Hendricks does not vigorously promote because despite his lack of Shariah qualifications, he does understand as do most Muslims, that the consequences in the wake of the dissolution of a marriage are haraam and kufr. So of what benefit is legal recognition when the end result is to barter away one's Imaan as vile women lacking in Imaan always do with the aid of the kuffaar courts.

Mr.Hendricks and WLC are birds of the feather. Both are anti-Islam and anti-Shariah.

A LOOPHOLE

There exists a loophole in current law which Muslims could utilize for the achievement of Shariah consequences in case of Talaaq. This loophole stated by the minister of Home Affairs, is:

“The law currently requires couples, when concluding a marriage, to pick from the three matrimonial property regimes: marriage in community of property, marriage out of community of property with accrual and marriage out of community of property without accrual.”

However, he added: *“If the couple does not agree on an ante nuptial contract, the marriage is regarded as a marriage in community of property.”*

With the ante nuptial contract which *excludes accrual*, the Islamic Will is valid even according to the kuffaar law of this country. Without adoption of this property system, the Shariah Will is invalid and the law will ensure that the estate of the deceased is distributed in terms of the law of Taaghoot – the law which Mr.Hendricks and his cohort, WLC espouse.

Therefore, due to these evil satanic circumstances, it will be Waajib for Muslims to adopt ante nuptial contract which excludes accrual. But this may no longer be the case. Devilish moves are afoot to block this loophole.

The exclusion of accrual will be eliminated as the court has found that it is unconstitutional.

The High Court has already decreed to this effect, and the matter has been referred to the Constitutional Court.

Muslims should become more concerned about the Shariah, and the meaning of this concern is obedience to the Shariah, adoption of the Sunnah and abstention from sin and futility. Then their duas will be readily acceptable by Allah Ta’ala. Allah Ta’ala will then create the circumstances to enable us to regulate our lives in accordance with His Shariah.

On the occasion of taking possession of the City of Jerusalem, Ameerul Mu’mineen Hadhrat Umar (Radhiyallahu anhu), addressing the Ummah said:

“O People! Reform your hearts, then your outward deeds will become reformed. Practice (deeds of virtue) for the Aakhirat, then your worldly affairs will become rectified.”

The humiliation to which Muslims are being subjected to is the consequence of our treachery against Allah Ta’ala. This treachery is the abandonment of the Shariah and the Sunnah.
