SOLOMON GHANDI IS NOT A MUSLIM!

A Brother comments as follows:

IMTIAZ SULAIMAN OPENS A HINDU TEMPLE

Our allegiance is to Allah and his messengers Sallallahu Alayhi Wasallam, imtiaz sulaiman has exited Islam long ago by word and practice. He is a perennialist who believes all paths lead to salvation.

Gift of the Givers is no more an Islamic charity organization therefore it is impermissible to donate zakaat to them. (We think that it never was an Islamic entity - The Majlis)

Imtiaz sulaiman is like mahatma ghandi and other Non-Muslims who do charity works and who will be paid for the good works in the world. View the horrible pictures of the demons and deities of Hindus which he promotes and possibly worships.

(End of the Brother's lament)

While born kuffaar will be recompensed in this world for their good deeds, *Murtadds* will not be rewarded even in this world for the charitable deeds they do. For *murtadds* there is only the everlasting Fire of Jahannam.

There is absolutely no conundrum regarding the kufr and murtadd status of Solomon Ghandi. It is not permissible to contribute even haraam interest funds to this *murtadd* entity, *Gift of the Givers*. Muslims who contribute Zakaat and Lillah to this *murtadd* entity, should understand well that their Zakaat obligations are not discharged nor do they receive any reward for Lillah. On the contrary, it is a *kabeerah* sin to contribute Lillah and any type of funds to this *murtadd* entity.

After being informed of the kufr and *irtidaad* status of this *murtadd* entity, those who contribute funds to it will only be *murtadd* themselves. Birds of a feather will flock together. Hence, only *murtaddeen* will contribute funds to the *murtadd* entity.
