THE NNB CLIQUE'S (The so-called Jusa) MAMMOTH LIE OF “100 YEARS COMMUNITY OUTREACH”

When a Munaafiq opens his mouth, the first trash he disgorges is LIES. The NNB Clique of Zanaadaqah, has to travel all the way to Cape Town and partner up with the MJC Carrion Halaalizer to advertise itself. These two entities, The haraam MJC Carrion Cartel and the NNB Clique of Zindeeqs, posing as Jusa, are co-hosting a self-aggrandizement advertising stunt in Cape Town to excrete LIES and compounded lies in the nefarious bid to make themselves known to Muslims.

It is indeed silly, not surprising, that these louts and scoundrels who had actively campaigned to close the Musaajid, abolish Jumuah Salaat and even went to the kuffaar court to labour and struggle for the CLOSURE of the Musaajid, despite claiming to be in existence for a century are still craving for public recognition. This self-advertising effort in which the NNB Gang has to grovel at the feet of the Zindeeq/Murtadd MJC Carrion Halaalizer to garner support for its putrid image which lays in shreds in consequence of its plethora of haraam indulgences, speaks volumes for its realization of its massive loss of support in the Muslim community.

The claim that this illegitimate entity has been in existence for a 100 years is a typical LIE which only shameless Munaafiqeen are capable of excreting. This miserable Munaafiq/Zindeeq entity never ever was the old Jamiatul Ulama Transvaal which it so falsely and brazenly alleges. While the old

Jamiatul Ulama Transvaal was an authentic body of Ulama-e-Haqq of the very orthodox kind, these NNB Clique scoundrels are copro-characters who excel in fisq, fujoor, bid'ah and kufr.

In its advert in which it advertises itself, the miserable *shayaateenul ins* (human devils) say:

“Learn about the sacrifices of the founding Ulama of Jamiatul Ulama of South Africa (JUSA) and the vision going forward...”

The “founding Ulama” were the founders of *JAMIATUL ULAMA TRANSVAAL*. All of them had gone into their graves decades prior to the emergence of this haraam, illegitimate entity of Zindeeqs and Munaafiqs who have dubbed themselves as ‘jusa’ purely for carnal *nafsaani* motives. There is not a vestige of affinity between these munaafiq scoundrels and the old orthodox Ulama of Jamiatul Ulama Transvaal. Furthermore, the old Ulama of Transvaal did not even accept moon information from the old Sheikhs of Cape Town who were members of the then MJC which had at that time had not putrefied to the extent of the present murtadd MJC.

While the old founding Ulama of Jamiatul Ulama Transvaal had very very little contact and absolutely no *munsasabat* with the old MJC Shaikhs, the current copro flotsam of the NNB Clique is grovelling at the feet of the copro MJC. This is a conspicuous illustration of the NNB’s massive loss of support on its homeground in Gauteng where the eyes of the Muslim community have opened to the haraam shenanigans of the NNB molvis who are fit to be *Hasabu Jahannam* (Fuel for Jahannam).

Whatever these louts will be excreting from their mouths this evening at their mock advertising, self-promoting campaign will be LIES portrayed in such terms described in the Qur’aan Majeed as *Zukhrul Qaul* (satanically adorned talk).

Another haraam deed which reveals the nifaaq and kufr of these scoundrels is their blatant and shameless attempt to keep Muslims out of the Musjid. While they will be having their publicity stunt after Esha Salaat, their advert pamphlet states:

“THE MASJID RESERVES THE RIGHT OF ADMISSION”

Since when did these MJC juhala-zanaadaqah and NNB scoundrels inherit the Musjid from their fathers? Reserving the right of admission is not surprising in the light of these scoundrels having closed the Musjid,

abolishing Jumuah Salaat, the Five Daily Fardh Jamaat Salaat and having licked the boots of the kuffaar court to close the Musaajid of those Muslims who had kept the doors of Allah's Houses open.

Now why would these *haraami shataateenul ins* want to reserve the right of admission to a House of Allah? They are absolutely scared of Muslims who would be present to expose their LIES and their false claims designed for self-aggrandizement, carnal name and cheap fame. This is why they have decided to reserve the right of admission regardless of the venue being a Musjid. It is HARAAM to prevent any Muslim from entering the Musjid.

Furthermore, what will be their way of reserving this haraam satanic 'right' – a right which they have hallucinated? Their bunkum self-advertising and self-promoting talk is scheduled for after Esha Salaat. Now will they prevent Muslims from entering the Musjid before Salaat? While it is quite possible for these scoundrels who had closed the Musaajid to prevent Muslims whom they believe are 'trouble-makers', the Muslim community should know and understand the villainy of such a haraam act akin to kufr, and also realize the notoriety of these copro characters who are promoting haraam in the name of the Deen.

How will they prevent Muslims from the Musjid after Esha? The only way is to physically expel some Musallis whom they deem as 'trouble-makers'. They are regarded as such because of the penetrating questions of Haqq which they may pose to the LIARS. The act of expelling any Musalli from the Musjid even after Salaat is indeed vile in the extreme. While they will allow a haraam advertising stunt inside the Musjid, they are prepared to expel Musallis who have performed Salaat, hence the haraam right of admission which they have reserved for themselves.

Indeed we are in that age predicted by Rasulullah (Sallallahu alayhi wasallam) who said that... *A time will dawn when the worst of mankind under the canopy of the sky will be their ulama from who fitnah will emerge and this fitnah will ultimately hem them in.* Understand well that under the "Canopy of the sky" there are also the Yahoood, Nasaara, Mushrikeen, apes and pigs. These scoundrels of the NNB Clique and MJC Carrion cartel are worse than all of these.
