MUSJID AL-FALAAH OF UK

A UK MUSJID CONVERTED INTO A SATANIC TEMPLE

A Brother from the UK writes:

Masjid Al Falaah in UK have indulged in and is indulging in the following activities:

(A) Used the Masjid as a vaccination centre for men and women.

(The vile trustees have made the Masjid the headquarters of Iblees to promote all the haraam acts of Shaitaan –The Majlis)

(B) Habitually advertise photos of their projects which include non-mahram women.

(These major haraam acts are expected from fussiaaq and fujjaar trustees –The Majlis)

(C) In providing food for the homeless, a security company donated funds to the trusteeship of the Masjid. The money was raised by releasing a charity Christmas song.
They lost their Imaan with this kufr –The Majlis)

(D) They raised funds in memory of a dead kafir. Those funds were used for amenities for Muslims back home. **(This too is an act of kufr –The Majlis)**

(E) They encourage women to attend the Masjid. **(This is for gratifying their inordinate zina lusts –The Majlis)**

(F) They locked down their Masjid days before it became law to do so in March 2020. **(All the bootlicking molvis who bootlick and hindlick the kuffaar had closed the Musaaqid even here in South Africa.- The Majlis)**

(G) They adopted the evil, social distancing in Salah, but after Jumu'ah several of them are seen standing and talking to the Imam without maintaining their evil "sunnah" of 2m social distancing as stated in their deen of Covid. **(This displays their gargantuan nifaaq. They are Munaafiqeen masquerading as Muslims. – The Majlis)**

(H) They promoted face masks. Their actions negate “La Adwaa.”

(In so doing they followed the ‘sunnah’ of the Fire-Worshippers who don the nikaab of Iblees when they worship their Fire-God. –The Majlis)

(I) They have projected the Molvi’s face on screen to the women so they can lust over him. **(Zina permates their every vein. In the name of the deen, do they promote zina –The Majlis)**

(J) They habitually promote on their website their charitable endeavours and proudly promote an award called ‘Masjid Beacon Awards’. They are totally oblivious of their riya and takabbur. **(No, they are not oblivious. In fact their objective is the attainment of the goals of their riya and takabbur –The Majlis)**

(K) They promote scouts events where 11 year old girls, mix with boys, totally unconcerned of the fact that some girls may be baaligh at that age.

(And even they have not as yet attained puberty, purdah is Waajib for girls from the age of seven. Only those born to be rubbish and agents of Iblees have the satanic audacity of preparing the ground for girls and boys to indulge in zina. –The Majlis)

(L) They have an Arabic Fun Club, as if Deen is an entertainment package.

(Rasulullah –Sallallahu alayhi wasalla- said: ‘Every sport of the Mu’min is haraam (and baatil).’ Fun clubs and such activities are all vile inspirations of Iblees – The Majlis)

(M) They import Arab Imams every year to lead Taraweeh in Ramadhan. Who pays the costs, and how the bill is footed, Allah knows best, but again, it’s an entertainment package. Innumerable Huffaz in the area do not get the chance for Taraweeh, but that seems to be a total irrelevance. The pleasure of the ears takes precedence.

(Rasulullah –Sallallahu alayhi wasallam- said: ‘Most of the munaafiqeen of my Ummah are its qaaris.’ –The Majlis)

(N) Their ‘progressive’ mentality omits the reality that progression in the Islamic meaning, means to go revert to the Sahabah, not forwards towards secularism. **(fisq, fujoor and kufr – The Majlis)**

(O) The majority of the trusteeship is faajir and faasiq, trimming and shaving their beards, causing pain to Nabi Sallallahu Alayhi Wasallam, but they believe that they fit the Qur’an’s criteria for trusteeship of the House of Allah. **(In fact, they are signs of Qiyaamah. Among such sings is that Trust –Amaanat - will be assigned to hoodlums, louts and scoundrels of the worst order –The Majlis).**

(P) They hire out the hall after Nikah for haraam activities, totally ignoring the Sunnah method of Walima and in violation of innumerable rules of Shari’ah. In this haraam process, women emerge from the home, while the Qur’an says: “Remain glued to your homes.”

(Q) They have photos on their website of older girls partaking in Karate classes that they organise. The only teacher named for Karate is male. If that's the case, who knows, how he teaches girls karate? **(These are classes of zina. Under the guise of 'karate' it is zina which is being taught –The Majlis)**

(R) Non-Muslims in state of Janabat, who do not wash their rear are permitted in the House of Allah. This is called community work apparently. **(These Ibleesi 'trustees' being corrupt in their hearts have no qualms regarding the copro-attributes of the junubi kuffaar who are contaminated physically and spiritually with najaasat-e-haqeeqi and najaasat-e-hukmi. Their brains are stercoraceously defiled. -The Majlis)**

(S) Iftaar in the Masjid contravenes the method of Iftaar in the time of Nabi Sallallahu Alayhi Wasallam. Gluttony is the best way to describe it. **(The devour like khanaazeer and kuffaar –The Majlis)**

(T) They undertake video recording in the Masjid which is posted online. **(They have no care for the severe warnings among which is : 'The severest-punished on the Day of Qiyaamah will be the picture-makers – The Majlis)**

(U) They promote secular education for women in the university brothels.

(V) In December they had family Fajr during the holiday period. Breakfast and halal "fun" as they call it.

These are just some of the evil issues organized and promoted by the trustees of this Masjid. There is much more to add to this list of shaitaniyat.

My query is should people attend here for Salah? In fact is it a Masjid, or now a temple instead? Lastly, has Imaan deteriorated to such an extent that those attending, including the Imams, are totally oblivious to these grave errors?

Answer

(1) Yes, the Musjid has been converted into a kuffaar temple. Nevertheless, a Musjid will remain a Musjid regardless of the defilement and conversion, hence Salaat will be valid. Attend for only the Fardh and Jumuah. However, if there is another Musjid, then abstain from this temple-musjid. The RUBBISH clique in charge of the Musjid are of the kind mentioned in the Hadith – the kind who will be fuel for Hell-Fire.

(2) Not only has their Imaan deteriorated, in reality their Imaan is extinguished. No person who organizes the host of evil and kufr enumerate above can be a Muslim. These human-devils have no Imaan.
