VACCINES, MANSLAUGHTER AND BOOTLICKING MOLVIS

By A U.K.Brother

On a regular basis since Covid Vaccines were unleashed, we hear of young people dying from heart attacks within the Muslim Community here in the U.K. or suffering life changing ailments.

Just a few days ago, a middle-aged brother suffered a sudden heart attack and passed away. He had earlier expressed his regret at having taken Covid Vaccine and had confessed to others how his health had severely deteriorated only after taking vaccine.

These vaccines were never mandatory in UK, however moronic Maulvis-Mufti's had halalised and encouraged their application; just like the other so-called Plandemic Protocols.

Are all these Maulvis-Mufti's who encouraged and promoted these Haram Vaccines guilty of 'involuntary manslaughter;' notwithstanding whatever bunkum they may now conjure up?

(Answer: Yes, these moron, bootlicking molvis and maajin muftis are guilty of manslaughter. They halaalized najaasat and poison. The evidence for the grave harms of vaccines is not a hidden secret. Thousands of medical experts have commented and explained the evil, harms and damages caused by these potions of Iblees. –The Majlis)

The same so-called senior Maulvis had previously halalised MMR Vaccines three decades ago - even though both Ulama Haqq and other Western Medical Experts had warned of the harmful effects of these poisons even then.

Numerous are the young children who suffered and continue to suffer horrific reactions to the MMR Vaccine; just as we witness children suffering in our Makaatib from the Covid Vaccine.

Suddenly, to pacify and befool the public, vaccines are no longer mentioned; nor the role of these Maulvis-Mufti's in their promotion. Scandalously, these so-called seniors recently held an open Fiqh Majlis, a successor to monthly programs they used to hold by invitation only for past two decades, at the residence of the 'senior' Mufti who was recently jailed for child abuse and sexual misdemeanour.

These are the same Maulvis who hosted the villain Maulvi FadhlurRahman Azmi; Maulvi Abraham Bham; Maulvi SulaimanMoola and a host of dubious, shady characters and who also jumped to the defence of Maulvi Taha Karan.

There is now almost a regular predictable route which these Maulvis, who hitherto were claimants and supposed representatives of Hakeemul Ummah rahimahullah and Shaykh-ul-Hadeeth Maulana Zakariyya Khandalvi rahimahullah take; in diametric opposition to what the Glorious Qur'an, Hadeeth and Ulama Haqq are teaching us.

There appears to be a concerted effort to remain 'men of the moment' in all such affairs; avoid addressing the real wrongdoings and sins prevalent in society; reluctance to prohibit evil and keep the public pre-occupied in other issues.

Also attached is a flyer just received on an impending visit by Maulvi Fadhlur Rahman Azmi to UK again, a mere few weeks after he was here throughout Ramadhaan. (*End of the Brother's lament*)

Comment

The U.K. molvis associating with Molvi Azmi and glorifying him despite being aware of his role in the shaitaani saga of his murderous khalifah are portraying their own shaitaniyat. All of these shady molvis are manipulating the Deen for worldly and nafsaani objectives. Nothing better can be expected from bootlicking molvis. They bootlick whoever is able to aid in the achievement of the realization of their vile objectives. They all are signs of Qiyaamah.
