THE ZINA CLASSES OF THE PROSTITUTE

Please comment on the following scenario:

There is a certain Muslim woman in Durban that hosts fitness classes for females. She does this in group sessions and also one on one. She does female ' group sessions as well as male group sessions.

She also sometimes has events that she plans as a reward for her clients after her fitness challenges which are like monthly or time frame differs.

At the latest event which was called ' Met Gala' which was a ladies event in which the ladies dressed up, there was music and scantily clad dancing women, all of which was proudly shown and advertised on social media.

Many women from the community attend these sessions and events. These sins which I feel are contributing towards the difficult conditions pravailing in our city of Durban.... i.e. crime, water disruptions, electricity, lack of instructure, lack of good leadership etc., etc the list goes on.

My concern is that if we don't speak out against these, our condition will deteriote even further whereas we should have been wiser after covid and the riots. It seems we are continuing with sins with a bang and without any care.

What consequences do women face for attending such gatherings?

I would like an awareness to be made of this in our community as many women attend and everything is just quietly accepted and swept under the carpet.

OUR COMMENT – THE SHARIAH'S COMMENT

Women who attend these haraam, satanic, immoral sessions of zina are either kuffaar of the munaafiq category, or atheists or lesbians or prostitutes. Therefore, no amount of naseehat will ever benefit them. They do not believe that the immoral shaitaaniyat which the immoral prostitute teacher imparts to them is evil. Such men and women have no concern for halaal and haraam since they are not Muslims.

If there are any Muslims who participate in these obscene and filthy zina sessions, their Imaan dangles on a thread, ready for extinction. These lewd zaaniyah women are in fulfilment of the prediction of Rasulullah (Sallallahu alayhi wasallam) regarding the Signs of Qiyaamah. Mention is made in the Hadith about the prevalence of lesbianism and homosexuality in the era in proximity to Qiyaamah. The woman who teaches these zina acts is one such sign. She is Iblees incarnate who puts to shame female jinn of the shaitaani species.

When Imaani *haya* is jettisoned from the heart of a female, then the avenues of immorality are thrown widely open. It is for this reason that in this satanic era of fitnah and fasaad women masquerading as 'Muslims' prowl around to lure and misguide other stupid women with their satanic therapies and garbage psychology stunts and deception.

Commenting on obscenities and satanism really benefits no one. There are only two classes of people: Muslims and kuffaar. All true Muslims are aware and fully understand the evil, filth and immorality of the haraam zina activities taught by the prostitutes fielded by Iblees. No true Muslim is plagued by doubts regarding the *hurmat* and filth of the kind explained above. As far as kuffaar masquerading as Muslims are concerned, our comments will not benefit. For them everything is valid and meritorious. Hence the only reason for commenting is to discharge the obligation of Amr Bil Ma'roof Nahyi Anil Munkar.

In the final analysis *hidaayat* (Guidance) is the prerogative of Allah Azza Wa Jal. He guides whomever He wills, and He leaves to stray whomever He wills."
