# **SATANIC 'HALAAL' ZINA-DATING BLATANTLY AND SCANDALOUSLY ADVERTISED**

Most assuredly, Qiyaamah cannot be in the too distant future when even zina is now being advertised as 'halaal'. From 'halaal' carrion to 'halaal' liquor and now 'halaal' zina dubbed as 'halaal dating' by some illegitimate daughters or sons & daughters of Iblees, the accursed one. Rasulullah (Sallallahu -alayhi wasallam) had predicted that in the era in proximity to Qiyaamah Muslims will halaalize wine by means of fanciful names such as ethanol, copronol and ols of a variety of kinds.

This Hadith in terms of Islamic principles is extended to all haraam practices which are halalized by the attribution of fanciful names. Now in the wake of carrion and liquor halaalization comes zina halaalization with the term 'dating' which is an explicit synonym for zina from the Islamic perspective. However since 'dating' has become an entrenched and respectable western practice, the agents of Iblees have appropriated it for their halaalization of zina. Everything of the west has become respectable, acceptable and desirable to rubbishes and munaafiqeen who masquerade as Muslims.

*The 'halaal' zina is dubbed" as 'halaal speed dating'. The very word 'dating' is a synonym for fornication and adultery – for zina.*

Shaitaan is not a moron as are these modernist, zindeeq faajir, faasiq juhala masquerading as Muslims. He operates stealthily, cunningly and by degrees enmeshes people into the tentacles of his snares of vice, obscenity, immorality and zina. He does not approach Muslims with audacious attempts to impose sin and evil, zina, etc. on them. He patiently paves the way, setting in formation stepping stones leading to the acts of immorality and vice. It is precisely to negate this subtle and cunning scheme of gradual erosion of Imaan that Allah Ta'ala commands in Qur'aan Majeed: **"Do not come near to zina."**

Allah Ta'ala does not say: *Do not commit zina*. He says "**Do not come near**".

No Muslim who has true Imaan in his/her heart will suddenly contemplate indulging in zina. Hence, Iblees leads them up the stepping stones towards the ultimate act of abomination. He convinces them to climb these steps. When they finally reach the satanic destination of zina, they are 'already desensitized. Imaani inhibition has already been eroded by the gradual process of diluting our Imaani defences. Then indulgence in the ultimate act of fornication/adultery becomes a necessary corollary of having completed the climb up the stepping stones.

These steps leading to zina begin with only the glances of the eyes. Hence Rasulullah (Sallallahu alayhi wasallam) said:

*"He who looks at the beauty (face) of a strange (ghair-mahram) woman with desire, (hot) iron rods will be inserted into his eyes in the Day of Qiyaamah."*

The next stepping stone towards zina is the voice of the woman, hence the Shariah does not permit her to recite even the Qur'aan Majeed audibly in Salaat. All acts of Ibaadat which have to be audibly executed by males have to be performed in silence by females.

Even her garments are stepping stones towards zina, hence she has to incumbently enshroud herself with a large shabby outer-cloak when need constrains her emergence from the home. Her jilbaab may not be of a gaudy attractive colour.

Even her walk is a stepping stone towards zina, hence Rasulullah (Sallallahu alayhi wasallam) said: *"A woman approaches and departs in the form of shaitaan."* Lust is kindled in a man when he looks at a woman approaching or he looks at her when she walks away with her back facing him.

In fact, everything of the female is a stepping stone to zina, hence Rasulullah (Sallallahu alayhi wasallam) said: *"Woman' is aurah (i. e. she is an entity to be concealed)."* That is why the Qur'aan Majeed commands women: **"Remain glued inside your homes..."**

That woman is a snare of zina employed by Iblees, is confirmed by the fact that Allah Ta'ala granted his (shaitaan's) supplication for tools and traps with which to ply his trade of immorality after he was expelled from the heavens. Allah Ta'ala exclaimed: *"Women are your traps."* On hearing this, Iblees tripudated with joy. Nothing else gave him such delight and confidence as the granting of this supplication.

It is only after traversing all the stepping stones to zina that the ultimate act of fornication is indulged in. Thus, shaitaan desensitizes Imaani inhibition to

immorality by first eliminating Shar'i Hijaab. For this he employs the western agencies and institutions of modernism, liberalism, obscenity and immorality such as schools, colleges, universities, etc.

These copro illegitimate members of the progeny of Iblees, who have initiated the 'halaal zina dating' have already traversed all the steps leading to zina, hence they are so shamelessly and blatantly advertising their halaal zina satanism. The term 'date' which in the context of colloquial terminology is premarital contact of the sexes which is the very last step to the actual act of fornication, signifies Zina 99%. Every zina aspect of pre-Zina indulgence is fulfilled by dating. Yet this has become 'halaal' for the stinking scum and scoundrels who profess to be Muslims.

The copro-creepers have even advertised their obscene villainy as *halaal speed zina*. They are paving their path for speedy entry into the bowels of Jahannam. They appear to have been born to be *Hasabu Jahannam* (Fuel for Hellfire). Only people whose Imaan has been deracinated can have the shaitaani temerity of advertising halaal zina. They are the type about whom Rasulullah (Sallallahu alayhi wasallam) had predicted disfiguration and transformation into apes and swines. While their faces have as yet not been afflicted with the calamity of being transformed into apes and pigs, their hearts have already suffered this misfortune. Thus, they think and behave like apes and swines.

It is quite safe to claim with certitude that these halaalizers are munaafiqeen and murtaddeen. The halaazing of zina by these copro fornicaters is worse than the halaalizing of carrion by SANHA, MJC, and NIHT. While consumption of haraam carrion also ignites the urge for zina, blatantly halaalizing zina is infinitely worse.

The marriages of those who avail themselves of the zina services of the zina Halaalizers will be strewn with miseries of shaiyaaniyat. A Muslim does not require taqwa and intelligence to understand the evil of this obscene 'halaal' zina peddling. They are people of *rijs* (filth) about whom the Qur'aan Majeed states:

*"Thus, does Allah afflict with RIJS those who lack intelligence."*

They are so evil that derangement of their brains with divinely afflicted *rijs* has become justified. It is type of blatant obscenity shamelessly and publicly promoted that invites the universal (*aam*) punishment of Allah Ta'ala.

If any of these agents of Iblees whose brains are deranged and hearts corrupted with stercoraceous substances has to present a proposal of marriage to any decent Muslim father saying: *'I propose to date or speed-date your daughter for my son.'*, what will be the reaction of the honourable father? His *Imaani Ghairat* may constrain him to shove his fist into the filthy mouth of the date-proposer.
