# **THIS IS MR.AMLA!! YOUR FAASIQ-FAAJIR “HERO”**

## ***ROMPING WITH SEMI-NUDE KUFFAAR SINGERS AND DANCERS***

In this picture (over leaf) is your ‘hero’ – the faasiq-faajir, liquor advertising agent whom you have proclaimed to be an ambassador of Islam. While this faasiq-faajir may befool and befuddle you morons with his deceptive beard and other simulated ‘religious’ acts, the nifaaq lurking in the heart cannot be suppressed for too long. Examine the picture, then examine your hear. If your brain does not malfunction, then you will understand who this agent of Shaitaan is.

**SING AND DANCE INTO JAHANNAM!!!**

**P.T.O. for picture**
