05 OCTOBER 2026

Assalaamu Alaikum Beloved Mufti Saheb

SAHUC FAKE “REFUND” MISLEADING

The SAHUC Press Release of 01 October 2026 was meant to show SAHUC in a positive light, but it is highly misleading and fraudulent.

All three Fatwa Committees/Darul Ifta, as well as our legal advisers, advised SAHUC that based on the purpose and utilisation of the Hajj registration funds, SAHUC was not required to refund the Hajj registration fee.

SAHUC has become such a misrepresenting thief that it goes so far as to suggest that it has 3x Fatawas NOT to Refund the Registration Fee.

- Why they DON'T name the 3x Darul Iftas who made the Fatawas
- Why they DON'T give the information supplied to the Darul Iftas, for them to issue such flawed “Fatawas”

Ismail Kolvadia is on record stating that SAHUC has –

1. R12 million in cash
2. R36 million in Assets

Now, lets do the Maths –

- Suppose SAHUC Refunds 20 000 people R250-00 Registration Fee.
- That equals to a Refund of R5 million
- Even if they Refund 30 000 people – it equals R7.5 million

- But, they have R12 million – so where does the remainder R7 million or R4.5 million still in SAHUC coffers go to??
- R12 million cash was stated over a year ago – the amount can be much higher.
- There NEVER will be a situation where EVERYONE will be Refund.

And then, there is still the question of how did an NPO like SAHUC manage to purchase **R36 million in Fixed Assets??**

SAHUC demanded a high Accreditation Fee – for its “services” such as –

- Ordinary Volunteers who received high stipends of R21 000-00 each
- Mission staff living in 5 star Hotels in Makkah and Medinah
- High Payments to Missions leaders
- A Clinic which duplicates Saudi Hospital Services

The Accreditation Fee was inflated over many years, to raise the funds to purchase Assets worth over R36 million.

The guest of Allah (Hujjaj) were unfairly taxed by SAHUC.

The delusional SAHUC thinks it will simply Refund some Registration Fees (maximum R5 million) and hold on to Cash of +R7 million and Assets worth +R36 million – and everything will be resolved!!!

The legal action against SAHUC need to go ahead and supported.

Was Salaam
